

## Petrol: A Vitamin-Enhanced, Hydrating Dog Treat

Petrol can be given as a source of hydration for dogs of all ages and breeds.

For optimum health, the average 35-lb. dog needs 1 liter or 33.8 ounces of liquids per day. Petrol is intended as a low-calorie hydrating treat that can count toward your dog's daily liquid intake. Petrol should not replace your pet's regular diet.

### INGREDIENTS

Reverse Osmosis Water, Natural Flavoring, Vitamin B1, Vitamin B2, Vitamin B6, Niacin, Biotin, L-Carnitine.

For optimum health, the average 35-lb. dog needs 1 liter or 33.8 ounces of liquids per day. Petrol is intended as a low-calorie hydrating treat that can count toward your dog's daily liquid intake. Petrol should not replace your pet's regular diet.

## Men's Irish Setter Wingshooter DSS 831

A Gore-Tex Fabric Lining, Brown Worn Saddle Leather 9" boot with, Green Abrasion Resistant Nylon Fabric and 3 Bar Knit Lining. It features a Dynamic Suspension System Shank, Fabric Covered EVA Foot bed and EVA Midsole. It also offers a wingshooter DSS Sole with Goodyear Leather Welt Construction.

### Dynamic Spine System

Transferring the energy of impact back to the stride, the Dynamic Spine System promises less fatigue and more pop in your step. It diffuses the shock of impact, absorbs the energy, and then redistributes it through the sole. The difference is huge. With DSS you have more energy and fresher legs for all-day and multi-day hunting trips.
