EMT® Spray

EMT Spray, the newest addition to the EMT Gel line of products is an easily applied, non-stinging spray with Bitrex™ (an extremely bitter substance) that produces rapid healing while discouraging biting and licking of wounds.

EMT spray contains the same collagen as EMT Gel and is effective for many types of wounds and skin problems including: hot spots, first and second degree burns, foot pad injuries, cuts, abrasions and flesh tears.

EMT Spray can be used on any animal and the collagen is natural to the body.

Urine Gone

Getting rid of stains and odors caused by cat, dog or human urine can be exasperating. Urine Gone is the quick and easy answer to the problem. Just spray it on and let it dry, fast acting enzyme action attacks urine and other odor causing matter and eliminates their stains and odors.

Just spray Urine Gone™ on and let it dry. Stains and odors disappear and keep pets from re-marking their territory. Helps prevent dogs and cats from re-marking their territory. Urine Gone is safe in pet areas and around the house. The Urine Gone system comes with a black light stain detector. Darken the room and the black light stain detector will show areas you have missed. So say good-bye to urine odors and stain with Urine Gone!
